argentinië is een uitgestrekt land zelfs zonder de gigantische punt van antarctica die de autoriteiten graag tot het nationale territorium rekenen is het een van de grootste landen ter wereld het land bezit dan ook een enorme verscheidenheid aan landschappen van de hete en vochtige jungles in het noordoosten en de kurkdroge hooglandsteppen van het noordwesten tot de vruchtbare pampas en het winderige patagonië en de archipel van vuurland die aan het eind van de wereld lijkt te liggen

npr one of the best books of the year a chilling but fascinating portrait of a serial killer and a must read for true crime fans who enjoyed my dark places the stranger beside me or i ll be gone in the dark buzzfeed one of argentina s most innovative writers brings to life the story of a teenager who murdered 4 taxi drivers in 1982 buenos aires without any apparent motive over the course of one ghastly week in september 1982 the bodies of 4 taxi drivers were found in buenos aires each murder carried out with the same cold precision the assailant a 19 year old boy odd and taciturn who gave the impression of being completely sane but the crimes themselves were not 4 murders as exact as they were senseless more than 30 years later argentine author carlos busqued began visiting ricardo melogno the serial killer in prison their conversations return to the nebulous era of the crimes and a story full of missing pieces the result is a book at once hypnotic and unnerving constructed from forensic documents newspaper clippings and interviews with melogno himself without imposing judgment busqued allows for the killer to describe his way of retreating from the world and to explain his crimes as best he can in his own words melogno recalls a visit from pope francis grim depictions of daily life in prison and childhood remembrances of an unloving mother who drove her son to brazil to study witchcraft as these conversations progress the focus slowly shifts from the crimes themselves to melogno s mistreatment and misdiagnosis while in prison to his current fate incarcerated in perpetuity despite having served his full sentence using these personal interviews alongside forensic documents and newspaper clippings busqued crafted magnetized a captivating story about one man s crimes and a meditation on how one chooses to inhabit the world or to become absent from it
